Darling Frances:-

Feeling quite happy to-day over the turn of events that has taken place in my uncle's case. At the last ~~case~~ minute, my uncle refused to offer a settlement so now we are going clean through, & that means more money for me & a dog-gone good chance for me to come home during the summer. Aren't you glad, Toots.

This meeting occurred this morning & I can tell you, ~~you~~ quite a heated some did work hard. I'm all in for to-day, as we had an awful scrap. You can take it from me, no one attempted to walk over or scare me.

Well darling, how are you? I didn't get a letter from my Toots to-day. Awfully disappointed, too. How's Sadie? Is she feeling any better? I sure do hope so.

Toots, I'm dreadfully tired. I'm going to lie down for awhile, so I'll quite to be in time for the last mail.

With all my love to my precious Toots,

Lovingly,

Joe.
